## ANNEXURE IV

### Management Discussion and Analysis Report

Your Directors are pleased to present the Management Discussion and Analysis Report for the year ended 31<sup>st</sup> March, 2021.

The Management Discussion and Analysis have been included in accordance with the Code of Corporate Governance as approved by the Securities Exchange Board of India (SEBI). This report has been annexed with the financial statements of the Company to set a background to the workings of the Company. The estimates relating to the financial statements are prepared on reasonable basis and reflect the true picture of the state of affairs of the Company and the profits/ loss for the year.

The report provides an overview of the sector in which the company functions, its goals, performances, risks, threats, initiatives and strategies and also the route which the Company plans to take in the future. These estimates and outlooks are prone to fluctuations in the economy and may vary from time to time depending upon the market situations.

### Non-Banking Finance Company (NBFC) Outlook

NBFC's form an integral part of the country's financial structure. They not only compliment the functioning of banks but also facilitate inclusive growth of the economy. The role of NBFCs as effective financial intermediaries has been well recognized as they have inherent ability to take quicker decisions, assume greater risks, and customize their services and charges more according to the needs of the clients. Moreover, NBFCs assume significance in the small business segment as they primarily cater to the credit requirements of the unorganized sector such as wholesale & retail traders, small-scale industries. NBFCs have been playing a very important role both from the macro-economic perspective and as integral part of the Indian financial system, enhancing competition and diversification in the financial sector. It can be said without a doubt that NBFC's have scripted a great success story. From a growth of 8.6% in 2006 to 14% in 2015 to about 17-18% in the financial year 2018, NBFC's are estimated to see the upward trend of growth in the current financial year too.

### Business

The company is engaged in the business of investment in securities and providing loans and advances. The Company is registered as Non-deposit taking Non-Banking Finance Company with the Reserve Bank of India. Since the asset size of the Company is not more than Rs 100 crores it is presently Non Systemically Important Non-Deposit taking NBFC.

### Financials:

The details of the financial performance of your Company are reflected in the Balance Sheet, Profit & Loss Account and other Financial Statements, appearing separately. Highlights are provided below:

<b>Particulars</b>	<b>2021</b>	<b>2020</b>
Revenue from Operations	4,23,734	42,68,453
Other Income	3,04,101	3,02,456
Total Revenue	7,27,835	45,70,909
Profit Before Interest, Depreciation & Tax	(32,06,726)	(6,56,673)

Similar to the previous year, the Company hasn't indulged into voluminous purchase of stock. There has been a decrease in finance cost too as compared to the preceding year. Data of sale of stock indicates that revenues from this source are not enough to meet the administrative expenses of the Company.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act) with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and the cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

### **Opportunities, Threats and Risks**

Being in the financial sector subjects the Company to the typical risks that any financial institution faces. The fluctuations in the economic conditions poses threats to the functioning of NBFCs. To minimize these risks the Company takes sufficient steps to scan the external environment regularly.

The Company has laid down a well-defined risk management mechanism covering the risk mapping, risk exposure and risk mitigation process. A detailed exercise is being carried out to identify, evaluate, manage and monitor non-business risks. The Audit Committee and the Board periodically review the risks and suggest steps to be taken to manage/ mitigate the same through a properly defined framework.

### **Human Resource/ Industrial relations**

The company recognises the importance and contribution of its human resources for its growth and development of its people. The Company has cordial relations with employees and staff. There are no HR relations problems during the year and the Company does not anticipate any material problems on the count in the current year.

### **Internal Control Systems and Adequacy**

The Company has disciplined approach to cost and follows prudential norms in every sphere of its activities. The Profit making is put at the center of decision making. The cost are budgeted, reviewed and monitored. The Company has established internal control systems for ensuring optimum use of resources and safeguarding the assets. The Internal Control Systems and procedure are adequate and commensurate with the size of the Company. These business control procedures ensure efficient use and protection of the resources and compliance with the policies, procedures and status.

### **Cautionary Statement**

The statements in Management Discussion and Analysis Report describing our Company's objectives, expectations or predictions may be forwarded looking within the meaning of applicable regulations and other legislations. Actual results may differ materially from those expressed in the statement. Important factors that could influence Company's operations include global and domestic financial market conditions affecting the interest rates, availability of resources for the financial sector, market for lending, changes in regulatory directions issued by the Government, tax laws, economic situation and other relevant factors.

## INDEPENDENT AUDITOR'S REPORT

To the Members of PURBANCHAL PRESTRESSED LTD  
**Report on the Standalone Financial Statements**

### Opinion

We have audited the accompanying standalone financial statements of PURBANCHAL PRESTRESSED LTD ('the Company'), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read including accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2021, the profit/loss (*financial performance*) including other comprehensive income, and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matters

Key Audit Matters Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Serial No.	Key Audit Matter	Auditor's Response
1.	Valuation of Investment	We have assessed the procedure of sale and purchase of investments including yearend valuation. We have obtained all sources of documents for valuation of unquoted shares and its subsequent sale.
2.	Revenue Recognition and Provision for doubtful debts	We have reviewed the procedure of revenue recognition in relation to interest income. No income has been recorded for NPA assets. The loans which have become NPA, necessary provisions are made in the books.

Management's Responsibility for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure-A** a statement on the matters specified in the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (b) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (c) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (d) The observations on financial transactions do not reveal any matters which have any adverse effect on the functioning of the Company.
  - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) There is no qualification in relation to accounts maintained by the Company.
  - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure-B**.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, in accordance with the provisions of Companies Act, 2013 (18 of 2013) and rules made there under.

### ANNEXURE - 'B' TO AUDITORS' REPORT

(Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

#### **Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")**

We have audited the internal financial controls over financial reporting of PURBANCHAL PRESTRESSED LTD as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Director of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Contd.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

## Note-1 (Accounting policy)

### Notes to the financial statement for the year ended 31st March 2021

#### 1. Background Information

PURBANCHAL PRESTRESSED LIMITED referred to as ("The Company") is a non-banking financial company (NBFC) registered with the Reserve Bank of India under the category of Loan Company.

The company's activities primarily comprises of investing in listed and unlisted equity shares, debt instruments of companies in a wide range of industries and in mutual funds. The Company also lends money with or without security. The shares of company are listed on the Bombay Stock Exchange.

The standalone financial statements of the Company as on 31st March, 2021 were approved and authorised for issue by the Board of Directors.

#### 2. Basis of Preparation of Financial Statements

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The financial statements are presented in Indian Rupees (INR), unless otherwise indicated.

#### 3. Use of estimates

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of financial instruments, provisions and contingent liabilities.

#### 4. (I) Significant Accounting policies

##### (a) Financial Instruments

##### Classification

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into, Financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely payments of principal and interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including:

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel

- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed

- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)

- The expected frequency, value and timing of sales are also important aspects of the Company's assessment

If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

*cl*

### **Initial recognition**

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit or loss.

Financial assets and financial liabilities, with the exception of loans, debt securities and deposits are recognised on the trade date i.e. when a Company becomes a party to the contractual provisions of the instruments. Loans, debt securities and deposits are recognised when the funds are transferred to the customers account. Trade receivables are measured at the transaction price.

### **Subsequent measurement**

#### **Financial assets at amortised cost**

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently these are measured at amortised cost using effective interest method less any impairment losses.

#### **Equity Instruments at FVOCI**

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments. Presentation" and are not held for trading and where the Company's management has elected to irrevocably designated the same as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

#### **Fair value through Profit and loss account**

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

#### **Financial Liabilities and equity instruments**

##### **Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

##### **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

##### **Other Financial Liabilities**

These are measured at amortised cost using effective interest rate.

##### **Derecognition of Financial assets and Financial liabilities**

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

##### **Impairment of financial assets**

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost or fair value through OCI. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

##### **Reclassification of Financial assets**

The company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets. The company does not re-classify its financial liabilities.

### **(b) Determination of fair value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

### **(c) Investment in subsidiaries and associates**

The company has chosen to carry the Investments in associates and subsidiaries at cost less impairment, if any in the separate financial statements.

Handwritten signature: chud

Handwritten signature: ok

**(d) Foreign currency transactions and translation**

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Exchange differences arising on the retranslation or settlement of monetary items are included in the statement of profit and loss for the period.

**(e) Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, as they are considered an integral part of the Company's cash management.

**(f) Property Plant and Equipment and Intangible Assets**

Property, plant and equipment and intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation. Cost includes all expenses incidental to the acquisition of the Property, plant and equipment and intangible assets and any attributable cost of bringing the asset to its working condition for its intended use.

**(g) Depreciation and amortisation of property, plant and equipment and intangible assets**

Depreciation on tangible fixed assets have been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. Further, assets individually costing ₹ 5000/- or less are fully depreciated in the year of purchase.

The residual values, useful lives and method of Depreciation of property, plant and equipment are reviewed at each financial year end. Changes in the expected useful life are accounted by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

**Transition to Ind AS**

**(h) Impairment of non - financial assets**

The carrying amounts of the Company's property, plant & equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognised immediately in profit or loss.

**(i) Employee benefits**

**Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, performance incentives, etc., are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the employee renders the related service.

**(j) Accounting for provisions, contingent liabilities and contingent assets**

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

Constructive obligation is an obligation that derives from an entity's actions where

(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities, and

*Handwritten signature*

(b) as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities. Contingent liabilities are not recognised in the financial statements. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

#### (k) Income tax

Income tax expense comprises both current and deferred tax. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Current income-tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws, enacted or substantially enacted as at the balance sheet date.

Taxable profit differs from net profit as reported in the Standalone statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Deferred income tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements and is accounted for using the balance sheet liability method.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using tax rates and laws, enacted or substantially enacted as of the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as an income or expense in the period that includes the enactment or substantive enactment date.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and they are in the same taxable entity, or a Group of taxable entities where the tax losses of one entity are used to offset the taxable profits of another and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

#### (l) Recognition of Dividend and Interest income

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders or Board of Directors approve the dividend.

Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that

#### (m) Dividends on ordinary shares

The Company recognises a liability to make cash or non-cash distributions to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Non-cash distributions are measured at the fair value of the assets to be distributed with fair value remeasurement recognised directly in equity. Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognised in the statement of profit and loss.

#### (n) Segment reporting

The Company is primarily engaged in the business of financing and there is no separate reportable segment.

Pursuant to Ind AS 108 - Operating Segments, no segment disclosure has been made in these financial statements, as the Company has only one geographical segment and no other separate reportable business segment.

#### (p) Onerous contracts

Provisions for onerous contracts are recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

**(b) Measurement of fair values**

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Level I: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level II: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

(f) The management assessed that fair value of cash and cash equivalents, other bank balance and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

(g) Financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.

(h) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair values within that range.

The Company has not entered into any derivative financial contracts during the current and previous financial years.

**(c) Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk, and
- Market risk

The Company has a risk management framework which not only covers the market risks but also other risks associated with the financial assets and liabilities such as interest rate risks and credit risks.

The risk management framework is approved by the Board of Directors. The risk management framework aims to:

- (i) create a stable business planning environment by reducing the impact of interest rate fluctuations on the Company's business plan.
- (ii) achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

**Credit Risk:**

Credit risk is the risk of financial loss to the company if a counter-party fails to meet its contractual obligations.

**Cash and cash equivalents**

The company holds cash and cash equivalents of Rs 1,56,822 at 31 March 2021 (31 March 2020: Rs 98,310). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

**Liquidity Risk:**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:  
- all non derivative financial liabilities

	Non Derivative financial liabilities	
	As at 31st March, 2021	As at 31st March, 2020
	Other Financial Liabilities	Other Financial Liabilities
Carrying value	1691,87,838	1688,77,075
Contractual cashflows:		
- Less than one year		
- Between one to five years	1691,87,838	1688,77,075
- More than five years		

**Market risk:**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as equity price, interest rates etc.) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. The Company is exposed to market risk primarily related to the market value of its investments.

**Interest rate risk :**

Interest rate risk arises from effects of fluctuation in prevailing levels of market interest rates on the fair value of Bonds / Debentures.

**Exposure to interest rate risk :**

Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, any change in interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

**Currency risk:**

Currently company does not have transaction in foreign currencies and hence the company is not exposed to currency risk.

**Price risk:****(a) Exposure**

The Company is exposed to equity price risk arising from investments held by the Company and classified in the balance sheet either as fair value through OCI.

To manage its price risk arising from investment in equity securities, the Company diversifies its portfolio.

The majority of the Company's equity investments are listed on the BSE or the National Stock Exchange (NSE) in India.

**(b) Sensitivity analysis - Equity price risk**

The Company does not have any investment in equity shares as at March 31, 2021 and March 31, 2020. Hence, sensitivity analysis not performed.

**28. Maturity analysis of Assets and Liabilities :**
